The Friends of Forsyth Nature Center is a 501(c) 3 non-profit organization. Currently, we are raising funds to replace the walkway around the facility with pavers. These will provide a more consistent surface throughout the facility, and will improve water drainage.

You may purchase an engraved paver for \$100, which includes up to 3 lines of engraving, 16 characters per line.

Pavers can be engraved with your family's name, children's names, in memory of a loved one, or with a message of your choosing.

Please make checks payable to the *Friends of Forsyth Nature Center* and return this completed form to the Forsyth Nature Center (157 Lucas Avenue, Kingston) or to P.O. Box 3923, Kingston, NY 12402. Please do not mail cash. You will receive a receipt for your donation. Thank you.
